

Learn With Us: Pebble Go & Pebble Go Next!

Join us for a pair of webinars to learn more about two of our new digital resource offerings – Pebble Go and Pebble Go Next! District and AEA staff are both invited to join the webinars to learn more about these resources for our youngest learners. Both sessions will be recorded.

Please register even if you are unable to attend in real-time so you can get access to the recorded sessions!

Pebble Go *(K-3rd grade)*

Inspires self-directed learning while building foundational reading and research skills; over 1,500 articles and supporting multimedia

Pebble Go Next *(3rd-6th grade)*

Hundreds of more in-depth articles and multimedia that align with state and national standards, with tiered instructional supports
