

# Transition Opportunities for NEW Middle & High School Special Ed Teachers

fppt.com

To: District Administrators and Middle School & High School Special Education Teachers

What: PLAEA Transition Services for 2020-2021

Welcome back!

We are excited to team with your districts and assigned AEA staff for any transitional needs you may have this year. Please click [AREA MAP](#) to see who is assigned to your district. Remember that your special education consultant is your first contact; however, we are available whenever your team needs additional transition support. Transition services may look different than previous years based on changes of state requirements in the area of transition.

Some opportunities for you to note:

- ❖ **Vitals for Transition – Zoom @ Noon Updates:** These are once a month on a scheduled Tuesday @ noon for one-half hour.
  - Specific topics are listed on our Moving Students Forward website and are recorded to watch. Click [Zoom Sessions](#) for a listing of scheduled dates and topics.

- ❖ **New Special Ed Teacher/New AEA Staff Transition Training** on Thursday, Sept. 24th and will be held virtually via Zoom. Please make sure you let any new Middle School/High School special education teachers know about this! Anyone who would like a refresher course is also welcome. Please register by Wednesday, Sept. 16<sup>th</sup> by clicking [NEW TEACHER/NEW AEA STAFF TRANSITION TRAINING](#)

- ❖ [Movingstudentsforward.org](#) is Prairie Lake AEA's transition website that has great resources for your special education teachers to use as they work with their students.

If you have any questions regarding any of the information above, please let us know. We look forward to helping you with your middle school and high school students' transition needs! Have a great year!
