

GOT DATA?

Have you completed your fall IGDIs screener and not sure what to do next?

Are you wondering how to use IGDIs data to design lessons?

Wondering what all the different colors and numbers mean within the scoring guide?

If you answered YES, to the questions above, then we have a learning opportunity for you!

myIGDIs RTI/MTSS Training

Planning on using IGDIs in an RTI-model? Learn best practices when it comes to screening, progress monitoring, and using data to drive instruction in your early childhood classrooms.

Course content includes:

RTI as a decision making framework, learn how to make data-based decisions, communicate results, target intervention, create student plans, and effectively monitor child progress.
