

Paraeducator Generalist I Certification

The Paraeducator Generalist I certificate program is delivered in three 30-hour courses. The each class will be held face-to-face with some online work in moodle. ***Participants must have access to the internet and iPad or laptop computer. Please bring your computer to the classes.*** A minimum of 10 hours of practical experience with students demonstrating application of skills and knowledge of the Iowa Paraeducator Competencies shall be successfully completed prior to completion of this program.

The paraeducator course was collectively developed by the Area Education Agencies offering paraeducator certification programs in Iowa in response to the guidelines developed by the Iowa Board of Educational Examiners (BoEE). It is designed to build the competencies of people interested in becoming paraeducators in K through 12 classrooms. The six competencies that will be covered include: Ethics and Professional Practice, Foundations, Emotions and Behaviors, Professional Relations, Learning Environment, plus Content and Instruction. Each competency has objectives, lessons, activities, assessments and requirements provided and are completed through face-to-face meetings and/or online moodle units.

*Additional paperwork and fees payable to the Board of Educational Examiners when applying for the license.
